Randwick School Newsletter No 16 - Thursday 30th May 2019

Kia Ora, Talofa, Malo e lelei, Kamusta, Malo ni, Kia orana, Ni hao 你好, Namaste, Ni sa bula, Chào, Vanakkam, Hola!, Greetings!

From The Principal

Talofa lava

I hope you have all been enjoying Samoan Language Week and practising a few Samoan phrases. The students have been learning about Samoa and practising some language and this Friday their Randwick Way celebration activities will all be linked to Samoan Language Week and Samoan Independence Day.

Thank you very much for your support in taking care of your children while the teachers were on strike yesterday. We know that this is disruptive for families and we don't take the decision to strike lightly. We hope that our union and the Ministry can work together to come to an agreement soon.

Next Monday 3rd June is Queen's Birthday and on Tuesday 4th June we will be having a Staff Only Day which means that school will be closed on both Monday and Tuesday. Students who attend JittaBugz are able to attend JittaBugz on Tuesday if you make arrangements with them.

Our Matariki hangi is fast approaching and we need your help. Please join us for a planning meeting next Wednesday 5th June in the library at 5.00pm.

Congratulations to Angus Onslow-Osborne, Rebecca Rice, Moe Tafili and Will Farmer who have been reappointed to the Board of Trustees and a special welcome to Laura Sanchez who joins the BoT. A big thank you to Matt Roberts who has served the BoT for many years and has contributed a great deal, particularly in the property area and did not seek re-election this year.

Last week we were very lucky to have the Good Time Music Performance group come and perform for the school. We were also delighted to have children and staff from Moera Kindergarten join us for the show and we hope everyone enjoyed it.

Breakfast Club would like to operate 4 days a week, Monday to Thursday 8.15am-8.45am but cannot offer the Monday service until we get more volunteers. It's a great opportunity for children and their whanau to sit down together and have breakfast and catch up with each other. If you are able to volunteer your time to help run Breakfast Club please let us know in the office.

The JittaBugz van is available to pick students up from Naenae Primary between 8.15-8.20am and from BP Waiwhetu about 8.30am. If you would like a ride you just need to sign a permission form in the office and then use the van when you need to.

We also have Kids Can shoes and raincoats available for any students who need them to keep warm and dry over the winter months. Please see us in the office if you would like these.

This term we are opening up Te Wāhi Wātea which is a space in our library for our school community to come and chill out, chat with other whanau members, have a cup of tea or coffee, read a book or look at some of the Pride Challenge entries. We will also have a computer available to use between 9.00am - 3.30pm Monday to Friday in the school library and free access to our school wifi between 9.00am-5.00pm. The computer is set up for you to easily access SeeSaw and SignMee so that you can catch up on your children's learning and newsletters and information. Please come along any time to make use of this facility.

SeeSaw is an app that we use to share the students learning with you. Teachers and students can share text, photos and videos of what's happening at school with you during the day. Please download the app from Google

Play on the App Store. We will be running some workshops after school over the next few weeks to help you get setup if you need help. Teachers all have instructions and a QR code for your child/ren but we can help out if necessary to get you signed up.

Here are the attendance figures for the year so far:

All - 90.96%

6th - Te Marama - 87.96%

5th - Nga Whetu - 89.79%

4th - Te Awa - 91.71%

3rd - Kowhai - 91.87%

2nd - Pohutukawa - 93.50%

1st - Te Rangi Tako - 94.02%

Well done Te Rangi Tako who continue to lead the school for the whole year and are close to our 95% target.

Congratulations to Pohutukawa who won the trophy for the best attendance for the last 2 weeks of term.

Remember to be at school ALL DAY, EVERY DAY unless you have a justified absence.

Our next assembly is next Friday 7th June at 9.00am. Please come along to support your child/ren and win points for your families house team.

Please call in for a chat if you have any concerns or just for a catch up.

Student of
the Week

Student of the Week - Wayneramond Milo

Wayne it is such a pleasure to award you with student of the week this week.

You are such a great person and I'm so lucky to be your teacher and witness your influence on others.

You are the definition of a kind person and I believe that is the best quality a person can have.

Over the past two years every single time we have gone on a class trip a stranger has come up to me and complimented you and how kind you were to them, every outside agency that has come to our class has always noted and spoke about how kind and helpful you were with people that needed extra help.

You are so selfless, you always put others before yourself, you are the first to help others and it's nothing is ever an issue.

You respect everyone's cultural differences, everyone's different needs and different personalities.

The way you care for others is truly inspiring.

As a class we wanted to show you how much you mean to us, and share with your Whanau how you make us feel and what you do for us. Here is a little book we put together for you.

Well done on this award today Wayne, you are definitely a role model for others and always show the RANDWICK WAY.

NO SPORTS THIS MONDAY, 3RD JUNE BECAUSE OF
QUEENS BIRTHDAY WEEKEND.

BEST WISHES THIS WEEK

There are no students with birthdays this next week

NOTICE BOARD

Public Health Nurse

Do you have questions related to your child's Health/ Just drop in to see our school public health nurse. Sophie is available on Tuesdays from 11am to 12noon. Measles

As many may have seen there have been cases of Measles in Dunedin, Christchurch, Rangiora and Auckland, although there are no known cases within the Wellington region.

Measles patients are infectious 5 days before and until 5 days after the rash appears, which means they can pass the disease on before they realise they are unwell.

Most people born in the 1970s and 1980s will have been offered one dose of measles vaccine as children. Those born from the 1990s onwards may have been offered two doses, if you are not sure how many doses you have had, talk to your doctor as the information may be in your medical records. If you cannot demonstrate immunity or have not had two doses, vaccination is recommended provided you have no contraindications (such as pregnancy).

For more details about Measles see attached at the bottom of the newsletter

A message from your school public health nurse

Firstly, welcome back to the new school year. I hope you all had an enjoyable and restful holiday, and ready for a great year of learning and new experiences.

For those children who have asthma diagnosed by a doctor, it is important that your child has an Asthma Action Plan completed by your doctor and is shown to the school office. The school staff will take a copy and refer to this should your child suffer an asthma attack at school. It is also very important that the school have your child's prescribed inhalers and not be expired; expiry date can be checked by pulling out the canister from the inhaler and checking on the canister the date noted next to "Exp:").

If you have any questions, please contact your school nurse, Sophie Kyle, through the school office.
